PrivateCircle Platform:

Bulk Download – All the screens at PrivateCircle platform work like an excel, where you are getting all the data available at the single screen, users have to first filter the data they are looking for and after filtering if they want to download the data in bulk in an excel format at a single click, it is possible by selecting the check box available at the left most side and then clicking on “Download” tab at the top right corner.

The screenshot displays the PrivateCircle platform interface. At the top, there's a navigation bar with tabs like Sectors, Companies, Investors, Deals, Banks, Legal, and More. Below this, a search bar is visible. The main content area shows a list of companies under the heading 'MCA 2,763,440 Results'. A table of companies is displayed, with columns for #, Name, Trade Name, CIN, Website, Industry, Sub Sector, Sector, and Keywords. The first 15 companies are listed, each with a checkbox in the first column. At the top right of the table, there are buttons for 'Bulk Actions', 'Saved', and 'Download (30)'. The 'Download' button is highlighted in green.
